Bus transfer map from Shin-Yokohama Station (Tokyu-Line & Yokohama Municipal Subway)

It takes about 15 minutes to reach this ground level bus stop. Please find No 8 Bus stop (platform) Route 104

Note: The train station platforms are deep underground, and the exits are on the first basement level.

The bus stop is on the ground level, but you have to go up to a pedestrian bridge by escalator and then go down the stairs and go in the opposite direction to get there. As a result, the transfer takes longer than expected.

In addition, there is **no English signage**, as Route 104 is mainly for local commuters.

Please get off at Rikkyo-sita. 25-minute ride to SNOVA from the station.
